A message from the Director

Welcome to the office of **Institutional Relations** at **Prince Mohammad Bin Fahd University (PMU)**. The office of **Institutional Relations** is **PMU's** gateway for regional and global outreach. As private institution with global standards, **PMU** has emerged to become a leading university in the **Eastern Province of Kingdom of Saudi Arabia** with regional and global partnerships. Our office maintains continuous pursuit to develop partnerships between **PMU** and world institutions that share our quest to enrich mutual interest in advancing higher education, research and service to the society.

Whether your organization is a university, a business or a government agency, **PMU** Institutional Relations is responsible for initiating, drafting and securing partnerships for cooperation between our university and your organization. As learning-centered institution that was built on North American higher education model, we invite candidate organizations of common goals to partner with us to pursue initiatives and projects that serve higher education and training in our globe.

I invite you to explore **PMU** website to learn about our university vision and mission.

**Dr. Emad Y. Tanbour**  
 Director of Quality Center and Institutional Relations  
 And A. Professor of Mechanical Engineering
