

## The 10 Golden Rules for a Successful Academic Life

Under the sponsorship of The Division of Student Affairs, Dr. Bruce Wells from Humanities and Social Department along with Mr. Maher the Student Counselor have organized and delivered a spectacular presentation titled, "The 10 Golden Rules for a Successful Academic Life."

During which the presenters revealed to the attended students some planning and organizing skills which meant to lead them to a smooth adjustment into their new academic life.

Moreover, they have also emphasized on the fact that PMU technology should be utilized fully to maximize their knowledge through enhancing their research skills. "Such presentation will not only add value to our students, but it will also broaden their horizon about what a university student is" Mr. El-Moussa commented.
