

June 05, 2009

A Memorandum of Understanding was signed on June 2, 2009 between Prince Mohammad Bin Fahd University (PMU) and GILLANI, Inc. (U.S.A.) to explore the possibility of implementing state of the art learning software that is in line with the University's College of Business plans to equip students with the skills required to compete in the global market. The MOU was inked by Dr. Nassar Shaikh, PMU Vice Rector for Academic Affairs, on behalf of Dr. Issa Al Ansari, PMU Rector, and by Mr. Syed M. Kamal, President & CEO, GILLANI, Inc.

GILLANI, Inc. is a pioneer in the development of synchronized supply chain management applications that facilitate the collaborative and coordinated execution of the order capture and fulfillment process. They are one of the leading providers of management and accounting solutions to Fortune 500 companies and mid-market manufacturers and distributors.
