Students from PMU volunteered for a two-day event marking World Down Syndrome Awareness Day. The event was organized by the Al Khobar Day Care Center and held at the SAAD Specialist Hospital Conference Hall. The event was opened by Prince Galloway Bin Abdulaziz, Assistant to the Deputy Governor of the Eastern Province. Participants to the two-day event included many doctors who specialize in the treatment of Down Syndrome, parents and other interested people.

The students who participated in this event were Nasser Yousif Al Fahd (volunteer team leader), Abdulmalik Osama Al-Kuohagi (WDSY registrar), Jassim Mohammad Al-Ghimlas, Bader Ahmad Al-Salamah, Mohammed Al Sanea, Saud Saeed Bawazeer, and Saad Khalaf AlOnazi as volunteers. The Division of Student Affairs and PMU colleges supported the students for this event. The event organizers recognized the contribution by these students by awarding each a certificate.
