

Charity Run 2010

Supporting Volunteerism

The Charity Run 2010 was held on 18 March with hundreds of runners (local and international) coming to support this event. This Charity Run which took place along the Al Khobar Corniche had several members of the PMU community participating in this worthy cause.

The PMU Team consisting of Mr. Omar Baroody (Campus Life Supervisor), Faculty members Dr. Alessandro Agostini and Mr. Klaus Michelsen and students Mohammad Saoud (IT College) and Zeid Al Khanchour (Prep) took in the 10km run, all finishing a little tired but happy. With the weather cooperating and staying cool, the runners were cheered along the way by hundreds of spectators.
