1. Overview

This document outlines the user guide to use implemented Oracle Erp Business Suite for suppliers to register with PMU University. It is a free, web based service that allows you to manage your account online and track invoices and payment at any time.

The benefits of the module are as follows:

Benefits:

- **Create Closed Loop Purchase Order Collaboration**: Get improved service, eliminate routine inquiries and even offload inventory management by sharing information with supplier online.
- **Simplify Fulfillment and Payment**: Reduce receiving problems with advance shipment notices, capture savings with online invoicing, and improve service from suppliers by sharing delivery and quality data.
- **Efficiently Ramp and Maintain Suppliers**: Bring suppliers onboard quickly with Web portal access and online registration. Maintain them easily with self-service profile updates.

2. Supplier Registration

1. On In Invitation from Purchasing Department from us the supplier will receive the email along with the invitation link as shown:
2. Enter Profile Details and click submit button:

3. Confirmation message will appear to confirm the completion of initial registration.
